LASER FLASH

YOU CAN MAKE A DIFFERENCE! SPECIAL PRICING ON JAGUAR TICKETS CHANCE TO WIN A PRINTER FROM ATLANTIC LASER

Patsy Underwood, President of Atlantic Laser, is a proud member of the Beaches Jaguars Task Force Committee. This committee was started in late September to bring awareness to business owners, their employees and other citizens of the Jacksonville area on the importance of keeping the Jaguars in Jacksonville, increasing attendance to games and "Sharing the Pride" we have in the Jaguars and Jacksonville.

This small, grassroots task force has exploded. The ideas of a few have been taken up by the City of Jacksonville and the Jacksonville Regional Chamber of Commerce. The City and Chamber have formed an initiative to bring the passion back for Jacksonville's Jaguars. We want to fill the stadium for the nationally televised game against our division rival, the Indianapolis Colts.

Patsy has special tickets for sale to the December 17th game at a discounted rate as low as \$40.00 per ticket. Plus, for each ticket you purchase from Patsy, your name will be entered into a drawing for a Hewlett Packard Inkjet printer.

What a great gift for the holiday season - tickets to the game and winning a printer, too.

Contact Atlantic Laser at 247-3234 for information on the tickets. Remember the more tickets you buy, the more chances you have to win the printer.
